The Tefal Travel Mug Compact is a stylish and compact insulated mug. The mug is 100% leak-proof which makes it easy to take with you wherever you go. Thanks to the 360° cap, you can easily take a sip without spilling. The double-walled insulation keeps hot drinks hot for up to 4 hours and cold drinks cold for up to 8 hours. Also, thanks to the stainless steel inside, the taste and aroma of your coffee, tea or cold drink are better preserved so you can enjoy your drink to the last drop. The mug can be personalised with a full-colour print, engraving and a sleeve.
