

Peak Design Wash Pouch Small

Origin
Vietnam

The small version of the Wash Pouch, the Small Wash Pouch is a streamlined, yet full-featured toiletry bag designed for light packers or short trips where you just need to take the essentials. Small Wash Pouch features the same unique materials and features as our larger version, but with fewer pockets and a slimmed-down, stow-anywhere size. Durable, weatherproof, easy-to-clean materials repel water and stains so your pouch can take a beating and will still look sparkling clean for years to come. The weatherproof UltraZip allows the bag to open wide, giving you total visibility and access to your items. The UltraZip can withstand decades of use thanks to its proprietary abrasion-resistant thread. Sits upright on a counter or hangs via a stowable aluminum hook. 4 internal TPU-coated nylon mesh pockets, an internal zip pocket, and a magnetically-sealed toothbrush pocket keep items organized and clean. Plus, all pockets can turn inside out for deep cleaning in case of spills. Fair Trade Certified and 100% carbon neutral. The Wash Pouch Small can be personalised with a thermal print.
