

Segway Ninebot Kickscooter E2 D II

Origin
China

The Segway Ninebot KickScooter E2 D II is designed to make your daily commutes more comfortable and efficient. With its powerful motor and advanced features, this KickScooter is the perfect choice for getting to work, cruising around campus, or simply exploring the city. Thanks to its 27mm front suspension, the KickScooter effortlessly absorbs shocks, allowing you to glide smoothly over uneven surfaces. The E2 D II comes with inner hollow tyres of 8.1-inch, to bring a worry-free riding experience: puncture-proof and maintenance free. The 450W motor delivers plenty of power for acceleration and tackling inclines up to 12%. Safety is a top priority at Segway, so the E2 D II is equipped with a double brake, bright lights, and turn signals, ensuring you're highly visible in traffic. Its IPX4 water resistance protects the scooter from light rain, so you can keep riding even when the weather takes a turn. The foldable design makes the E2 D II easy to transport on public transport or in your car. And with the companion app, you can effortlessly adjust speed, monitor battery levels, and keep your scooter's software up to date. Personalise your ride with a Max Print and domings on the fenders.
